To Members of the Audit Bureau of Circulations:

We have examined the circulation records and other data presented by this publication for the period covered by this report. Our examination was made in accordance with the Bureau's Bylaws and Rules, and included such tests and other audit procedures as we considered necessary under the circumstances.

In our opinion, the total average paid circulation for the period shown is fairly stated in this report, and the other data contained in this report are fairly stated in all respects material to average paid circulation.
